B. Submitting Comments

Please include Docket ID **NRC-2018-0009** in the subject line of your comment submission in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR Part 62 Criteria and Procedures for Emergency Access to Non-Federal and Regional Low-Level Waste Disposal Facilities
2. *OMB approval number:* 3150-0143
3. *Type of submission:* Extension
4. *The form number, if applicable:* Not applicable
5. *How often the collection is required or requested:* On occasion

6. *Who will be required or asked to respond:* Generators of low-level radioactive waste or the governor of a state on behalf of any generator or generators located in his or her state who are denied access to a non-Federal or regional low-level radioactive wastes and who wish to request emergency access for disposal of a non-Federal or regional low-level waste disposal facility pursuant to title 10 of the *Code of Federal Regulations* (10 CFR) part 62.

7. *The estimated number of annual responses:* 1

8. *The estimated number of annual respondents:* 1

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 233

10. *Abstract:* Part 62 of 10 CFR sets out the information that must be provided to the NRC by any low-level waste generator or governor of a state on behalf of generators seeking emergency access to an operating low-level waste disposal facility. The information is required to allow the NRC to determine if denial of disposal constitutes a serious and immediate threat to public health and safety or common defense and security. Part 62 of 10 CFR also provides that the Commission may grant an exemption from the requirements in this part upon application of an interested person or upon its own initiative.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 20th day of April, 2018.

For the Nuclear Regulatory Commission.

David Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
